## ABOUT SAFE TOWERS PVT LTD

We Safe Towers Private Limited, have established ourselves as one of the reputed company engaged in Designing, Manufacturing and Providing Services of Communication and Transmission Line Towers, Radar Navigation Towers, Guyed Towers, Monopoles, Media Display Board, Lightening Protection and Earthing, Solar Photovoltaic, Power Solutions, Shelters, Self Supporting Towers and Mobile Towers. Our services are also sought for Soil Investigation and Foundation Design, RF Survey, LOS Survey and Tower Erection. We, Safe Towers, has set up quality communication towers which are closest to perfection as far as the quality standards and the specifications of the clients are concerned. We also work on a timed schedule, which are planned well, in order to ensure on time delivery of our product.

We make effective use of the latest technology in our manufacturing process, in order to set up quality towers. These components are manufactured to satisfy the diverse needs of our clients. The range of choices that we offer, help our clients to make their choice and select the type of tower that would suit their need for their business.

## WHY WORK WITH US?

We have emerged as one of the leading organizations engaged in fabrication and installation of towers. Our strength lies in serving the diversified requirements of clients in an effective and professional manner. Some of the factors that have earned us a credibility in the manufacturing industry are:

- Advanced Manufacturing unit
- Precision engineered products
- Efficient team
- Value added services
- Wide distribution network
- On time delivery
- Value for money
- Warehousing & packaging facilities
- Production customization

## OUR SERVICES

Our services are also sought for  
Soil Investigation and Foundation Design,  
RF Survey, LOS Survey and Tower Erection.
